Money Matters

Questions about Trip Fees

What does the £1,500 cover?

Your fees covers all the following...

- **Travel Costs**
Flights to and from Gambia, plus onward travel in Gambia.
Travel between accommodation and the places we will be working in
It does NOT cover your travel costs to get your group to and from the airport in the UK.
- **Travel & Medical Insurance**
If you would like a copy of the insurance policy please ask you group leader.
- **Food & Accommodation** — while on location.
- **Materials & Tools** — 10 water filters, 20 buckets per person, and required tools for assembly and installation.
- **Just Life** — food, accommodation, and training materials

Where do I send the money raised?

Please ensure that all money goes straight to your Group Leader. Your Group Leader will send funds to Amor Europe on a monthly basis.

By when should my money be paid?

We have set the following deadline for sending in your money:

- Beginning of Dec 2021 — £100 (Deposit)
- ASAP, worst case beginning of March 2022 — £1400 (Outstanding balance).

Please do not save it all up and send it at the last moment! We must pay the flights, insurance and various other costs in advance, so we need to have the funds sent into us as soon as they are raised.

Gift Aid

If a UK taxpayer is able to donate, then please ask them to tick the Gift Aid box on the **Sponsor Form** or **Donation Slip**. The Gift Aid that Amor Europe receives on these donations will be used to manage the risks on exchange rate fluctuations. For this reason, Gift Aid cannot be added to the fundraising target.

Please note that donations can be Gift Aided only if they are given by tax paying persons not connected to you. Donations by your parents or immediate family, your church funds, another charity or from any other organisation cannot qualify for Gift Aid.

Please note that it is illegal for the money to be raised in small amounts and then ask a taxpayer (a non-relative) to send in a cheque for that amount using Gift Aid.

What happens if I raise more than my target amount?

Many participants will raise funds over their target. Any surplus funds will be used as follows:

Firstly, to cover any other participants who did not reach the target funds; then

Secondly, money will then go towards any of the following:

- a discretionary gift may be given to our partner in Gambia;
- funding for future Gambian trips;
- buying equipment to be stored in Gambia for future teams.

What happens if I am unable to take part after all?

You will be asked to cover any expenses incurred on your behalf, up to the target amount, unless the withdrawal is for reasons covered by the Travel Insurance.

Fundraising — Getting Started

It may seem ages until the trip but we encourage you to get started as soon as you can. Remember you can't just ask people for money without doing something in return. Keep people close to you updated on how you are doing, and don't feel that you are doing this alone. Get some help from friends, family, and supporters, and put on events and activities to raise the money.

Your Group Leader will provide **Donation Slips**, **Sponsor Forms**, and **Info Flyers** which can be used to help you raise funds. If you wish to use these in large quantities, please **ask your Group Leader for more copies**.

About Donation Slips

Ask your Group Leader for **Donation Slips**. Before giving these slips out, ensure to fill in your own name, and information about to whom to pay cheques (your Group Leader should have done this for you). You can use these slips to place on seats before you talk about your forthcoming trip in a church service, or for people to take home and to return to you with a donation at a later date. Ask all donors to seal their gift in the envelope along with the slip, ensuring that their name, address, and donation amount is recorded if they intend to Gift Aid the money (and if so, please ensure they have ticked the Gift Aid box).

About Sponsor Forms

The **Sponsor Form** can also be used to record donations, and will save you using lots of slips and envelopes. They could be used for events such as a sponsored swim, or cycle ride.

About Info Flyers

The **Info Flyers** can be used to tell people about your trip, and what the money they give will go towards.

Some fundraising hints

Ensure you know about the trip in sufficient detail to answer general questions.

Remember that the fundraising challenge is as much a part of the experience trip as the trip itself. Start it sooner rather than later to ensure you have reached your fundraising target at least two weeks before the trip starts. Remember:

- always be polite and thank people as soon as they have donated any money;
- keep track of all slips and sponsor forms;
- ensure you get any adults who pay tax in the UK to Gift Aid the money they give;
- show people the flyers and tell people they can also go to the website « amoreurope.org » for more information;
- read the Questions under “Money Matters” for more information.

Ask your Group Leader for the “Fundraising Ideas” booklet to get your creativity started.
