

PAD Holder 'C'

- ✓ It's important to check that the stencil is the correct size before using it.
- ✓ PAD Holder 'C' is length is 29.3cm's and width is 21cm's - almost a full sheet of A4
- ✓ If your print out doesn't seem to be the correct size - please check your printer settings are for 'A4 paper' and that you are printing the PDF at full size (100%) or 'Actual Size' (not 'Scale to Fit' which will reduce the size of the image)
- ✓ Fold the paper along the dotted line
- ✓ Cut along the solid line only
- ✓ Unfold the cut out shape and you should have a full sized stencil
